

TOP 100 SITES GUIDE

2020 

DEAR TOP 100 FINALIST

I would like to congratulate you on behalf of everyone at *Practical Caravan* and *Practical Motorhome* - we're delighted to let you know that you are one of the finalists in our *Top 100 Sites Guide*. This year saw more caravanners, motorcaravanners and campers than ever before - more than 10,000 in total - have their say in our annual survey; we're confident that every one of the parks that makes it into our Top 100 list is among the best in Britain.

We've enclosed a certificate to mark your appearance in the guide; we hope you'll want to display it where all your guests can see it! For your information, this year's *Top 100 Sites Guide* is available in our premium publications, issue 425 of *Practical Caravan* (on sale 19 March 2020) and issue 231 of *Practical Motorhome* (on sale 5 March 2020). It will also be available as a downloadable pdf at www.practicalcaravan.com shortly.

About the *Top 100 Sites Guide*

Our annual *Top 100 Sites Guide* was established more than a decade ago to recognise the efforts of site owners and wardens to provide caravanners and motorcaravanners with fantastic holidays. Each year the Top 100 attracts thousands of responses, which shows just how highly the people who stay on sites such as yours value our guide.

As well as campsites for touring caravans and motorhomes, our guide also features the very best sites for static caravans, holiday homes, park lodges and tents. What's more, for this year we've also included a directory of other sites, listed by region, meaning that our guide is the must-read publication for everyone planning to tour in the UK over the coming year.

In addition, we've also enclosed details of how you can enhance your Top 100 digital listing for 2020, and information about early-bird special offers for the Top 100 2021, voting for which is about to begin.

Congratulations once again on your entry into the *Top 100 Sites Guide 2020*, and we wish you a great season ahead.
